ASP provides one of the most rewarding structured Service opportunities in the nation — bringing thousands of volunteers from around the country to rural Central Appalachia to repair homes for low-income families. For 48 years, we've made homes warmer, safer, and drier<sup>®</sup> for families and provided transformational service experiences for volunteers. Last year, 16,231 volunteers served with ASP, providing critical repairs for 493 families and constructing 26 new homes.

**“We accept people right where they are,  
just the way they are.”**

### **OUR MISSION**

Appalachia Service Project is a Christian ministry, open to all people, that inspires hope and service through volunteer home repair and replacement in Central Appalachia.

### **OUR VISION**

Appalachia Service Project envisions the eradication of substandard housing in Central Appalachia and the transformation of everyone who comes in contact with this ministry
